Mobil-Eye™

Mobil-Eye Process

1. Carrier Bills are Automatically Downloaded into Mobil-Eye the Day Your Invoice Becomes Available Online
2. Mobil-Eye Reports are then Sent to CDK to Approve or Reject the Recommendations
3. Exceed Will Implement the Changes Directly with the Carrier and Be Responsible for Obtaining All Credits
4. Exceed Will Validate the Actual Savings on the Next Billing Cycle

Mobil-Shield Process

Why Pay Overages

- Mobil-Shield "ALERTS" are Sent to CDK Throughout the Month
- CDK Will Coordinate with Exceed's Help Desk based on the Type of "Alert" Generated
  - Exceed will Reach Out to Your End User/Admin
  - Reassign Pool Groups

No plan changes are needed as of right now, but we wanted to get your opinion if the above data usage figures 10 days into the current billing cycle should be expected month-to-month for the user(s) in question? Knowing this will assist us in avoiding potential data overage charges at the end of your billing cycle.
